

Garden Work Party – Sunday, October 15, 1pm. Help install a Sunflower garden.

Most student pictures went home today. A few classes where there teachers had substitutes may not have had a chance to send them home. These will be sent home Monday.

Mt. Elementary "Superhero" Jog-A-Thon starts this Monday, October 16th!

This Monday is the first opportunity for students to begin running/walking laps. Morning run begins at 7:20am and ends at 7:50am. Volunteers will escort those students dropped off to their proper location once running is done, but families are encouraged to come run/walk with their students. Costumes are welcome, but please dress appropriately for the weather. Morning runs will occur Monday-Thursday from 7:20-7:50am. Students will have the opportunity to run at recess as well! Running during PE will happen Tuesday and Wednesday during scheduled class times. All inside and outside laps count toward pledges!!!

Volunteers are still needed to make this a fun experience for all students! Please sign up at <http://signup.com/go/ZELCktX>.

Begin collecting pledges NOW-December 15th, 2017. Instructions on how to share the Mt. View online pledge site are below. Thank you for your support! Without your time and pledges, we would not have a fun and energizing way to raise funds for further enrichment programs for our students! Currently, Team Holden is in the lead!!!

ONLINE INSTRUCTIONS:

Go to <https://99pledges.com/fund/mtviewjogathon> and put your student's first name and last initial in "search participants" (make sure it is attached to correct teacher). Copy and paste your student's pledge page URL into an email to send to friends and family, or choose to click "share" on Facebook or Twitter.

Mt. View Jog-a-thon 2017

October 16th-20th: Morning, recess and PE runs. “Glow Run” starts Friday October 20th at 5:00pm, followed by Family Movie Night!

Volunteers Needed... Sign up for a time slot to count laps, encourage the students or help set up. Go to <http://signup.com/go/ZELCktX>

Online Pledge System... <https://99pledges.com/fund/mtviewjogathon>

Go to the Mt. View pledge site to find your student and begin sharing with friends and family! Make receiving pledges easy and convenient! Insert your child’s name and then copy and paste that link into Facebook or into an email.

PTA Request - Staff and Teacher Appreciation Lunch:

A Teacher takes a hand, opens a mind and touches a heart. Let’s extend our gratitude to our entire Mt View Staff on Wednesday, October 25th prior to the busy conference schedule. This is the first of three luncheons throughout the school year, and we are asking the 4th and 5th grade parents to help make it a success. Please sign-up to bring something using this link: <http://signup.com/go/hvuxoHA>

LONG RANGE FACILITIES Meeting: From the Superintendent's Office

Our district includes seven K-5 elementary schools, two 6-8 middle schools, two comprehensive 9-12 high schools, one K-8 school, and alternative education programs at the Harding Center. With all but two schools constructed before 1971, the average age of our elementary school buildings is 59 years.

We are now beginning to gather public input on the draft long-range facility plan. Targeting the May 2018 special election for a continuation of our facilities bond, there will be opportunities for parents, staff, and the community to provide input for the draft plan before the school board finalizes a plan to put before voters.

Focus areas in the draft plan are:

- ✓ Address critical safety needs and complete capital improvements in all schools.
- ✓ Improve inclusivity of school buildings by eliminating all modular classrooms.
- ✓ Address growing deferred maintenance costs.
- ✓ Enlarge and develop project based learning areas in secondary schools.

Public outreach activities, telephone surveys, and school information meetings will take place this fall. Our school community will have an opportunity to review the school concept plan for Mt. View Elementary on October 17 at 6:30 pm. We encourage all families to get involved in this stage of the planning process. More information about the long range plan is available on the web at <https://tinyurl.com/csd-2017facilities>

Nuestro distrito incluye siete escuelas primarias K-5, dos escuelas medias 6-8, dos escuelas secundarias completas de 9-12, una escuela K-8 y programas de educación alternativa en el Harding Center. Con todas las escuelas excepto dos de ellas fueron construidas antes de 1971, la edad promedio de nuestros edificios de escuelas de primaria es de 59 años.

Ahora estamos comenzando a recopilar opinión pública sobre el proyecto de plan de infraestructuras a largo plazo. Nos enfocaremos en las elecciones especiales de mayo del 2018 para la continuación del financiamiento de nuestras infraestructuras, habrá oportunidades para que los padres, el personal y la comunidad proporcionen sus aportes para el proyecto antes de que la junta directiva concluya un plan para presentarlo a los votantes.

Las áreas de enfoque en el proyecto del plan son:

Abordar las necesidades críticas de seguridad y completar las mejoras estructurales en todas las escuelas.

Mejorar la integración de los edificios escolares al eliminar todas las aulas modulares.

Abordar los crecientes costos de mantenimiento diferidos.

Ampliar y desarrollar áreas de aprendizaje basadas en los proyectos de las escuelas secundarias.

Community Flyers

Community flyers are now shared on the Corvallis School District website!

Families are invited to learn about community events and opportunities each Friday at: <https://www.csd509j.net/departments/communications/community-flyers/>
