JOG-A-THON PLEDGING IS OPEN UNTIL DECEMBER 15th!!!

The students did AMAZING this year, with many of them participating in all the runs offered each day. We had 34 students, 3 teachers and many parents and siblings come to the “Glow Run” and log many more laps as well!

A certificate with laps and miles ran will be coming home soon. If you would like to check how many laps your child was able to run, please log onto the website <https://99pledges.com/fund/mtviewjogathon> and search for their name under “search participants”. The number of laps will be at the top under their name. We are only half way to our goal, *so keep fundraising!* You have until December 15th. Keep spreading the word and sharing our website. Thank you to all volunteers that helped make this year’s running go smoothly!!! It would not be nearly so fun for the students without their help and community support.

Community Flyers

Community flyers are now shared on the Corvallis School District website! Families are invited to learn about community events and opportunities each Friday
