

Mt. View Elementary School Family Compact 2022 – 2023

At Mt. View, we value what you do to help your child succeed in school. One part of our school's Title 1 plan is sharing our annual School-Family Compact which outlines ways we can all work together to support your child.

Mt. View mission statement: Mountain View is a safe and caring community where students are important, accepted, and successful while developing academic and social emotional skills.

SCHOOL AGREEMENT

Every child is important to us. To support their success we will:

- Build and maintain positive relationships with students and their families
- Communicate regularly with families and students to foster growth
- Invite parent input about how best support their child in school
- Create a safe, caring and culturally relevant environment for learning and growing
- Hold our most marginalized and vulnerable student groups at the core of our work
- Provide educational experiences that are engaging and relevant
- Work as a school team to support your child's needs
- Value the participation and perspective of all members of our community
- Foster joy, laughter and celebration

FAMILY AGREEMENT

My child's education is important to me. To support their success I will:

- Support my child to get to class on time every day
- Help my child start school each day rested and ready to learn
- Help my child develop positive learning habits
- Stay in touch with my child's teacher and attend parent-teacher conferences
- Ask my child about their school day
- Encourage my child to practice and enjoy reading at home

STUDENT AGREEMENT

My education is important to me. I will:

- Attend school every day and join my class on time
- Follow school expectations for being safe, respectful and responsible
- Ask for help when I need it
- Try my best

Mountain View Elementary is a Title 1 school. Title 1 (of the *Every Student Succeeds Act* legislation) is a federal program that provides opportunities for the children served to acquire the knowledge and skills necessary to meet challenging content standards.
